EXPLANATORY NOTE

Preamble:

This Zoning By-law was passed pursuant to Section 34 of the Planning Act, RSO 1990 as amended. It is intended that this By-law will control and direct future uses of land in the Township of Wellesley in accordance with the local land use planning policies contained within the Regional Municipality of Waterloo Official Policies Plan and specific planning policies in the Official Plan for the Township of Wellesley. This Zoning By-law was developed through a detailed consultation and review process with the ratepayers, staff, and Council of the Township of Wellesley. The efforts of those involved have been invaluable in the development of this new Comprehensive Zoning By-law.

Purpose:

The purpose of this By-law is to provide the Corporation of the Township of Wellesley with regulations to control the use of land, buildings or structures in accordance with Section 34 of the Planning Act, RSO 1990. This By-law will replace the previous Comprehensive Zoning By-law (35/1983 as amended). This By-law will not remove special site specific provisions for individual properties that have previously received a zoning by-law amendment unless those specific provisions have been integrated into the Comprehensive Zoning By-law.

Affected Lands:

This By-law will apply to all lands within the corporate boundaries of the Township of Wellesley.

Effect:

The effect of the passing of this By-law is to establish zones and zone requirements/regulations for all lands within the Township of Wellesley. Previous municipal Zoning By-laws will be replaced with this new Zoning By-law. This By-law also implements the land use planning policies of the Provincial Policy Statement (PPS), the Regional Municipality of Waterloo Official Policies Plan (ROPP) and local Official Plan policies for the Township of Wellesley.
