SITE PLAN CONTROL APPLICATION PROCESS

1. The application is reviewed by planning staff to ensure all prescribed information and the required fee has been provided. Within **thirty (30) days** of the receipt of an application, the applicant **will be notified in writing**, whether the application is considered “complete”.
2. Within **fifteen (15) days** of the application being deemed complete, a “Notice of Application” will be circulated to the prescribed agencies for comment – including the Township’s consulting engineer. Any major issues arising from this circulation will be brought to the attention of the applicant for review and appropriate action.
3. Circulated agencies will provide the Township with written comments identifying their concerns. The Township will circulate those comments to the applicant/agent.
4. Following the resolution of any issues that may arise, a Township staff will prepare an Approval Letter including all required Conditions of Approval. **A Letter of Credit may be required to ensure the works are completed.**
5. The Approval Letter will be circulated to Township’s consulting lawyer, who will finalize the Site Plan Control Agreement. The agreement shall be signed by the applicant and by the Township to be registered on title. **Only after the registration of the agreement and receipt of the Letter of Credit shall building permits be issued.**

CATEGORIES OF SITE PLAN CONTROL APPLICATIONS

Minor Revision:

Where a Section 41 Site Plan Control Agreement is currently in place, and the owner wishes to make a change or alteration to that Site Plan Control Agreement (ie: further development on the property) they must apply for a Site Plan Revision.
