## ZONING BY-LAW AMENDMENT PROCEDURE

An application for a Zoning By-law Amendment generally requires **approximately four (4) to nine (9) months** to process. This procedure generally encompasses the following steps:

1. The application is reviewed by planning staff to ensure all prescribed information and the required fee has been provided. Within **thirty (30) days** of the receipt of an application, the applicant will be notified in writing, whether the application is considered “complete”.
2. Within **fifteen (15) days** of the application being deemed complete, a “Notice of Application” will be circulated to land owners within **120 metres** of the subject land and prescribed departments and agencies for comment.
3. A Notice of the Statutory Public Meeting is advertised in a local newspaper **twenty (20) days** in advance of the Statutory Public Meeting.
4. Following the circulation period, a staff report containing a recommendation and any conditions of approval, if required, will be formulated. This report is sent to any persons who responded to the preliminary circulation outlined above.
5. At the public meeting, opportunity is afforded to the applicant and any other interested parties to make verbal and/or written submissions concerning the **Zoning By-law Amendment** application. The Township Council may choose to approve, refuse or defer the application.
6. If the amending zoning by-law has been passed by Council, a further notice of passing of the by-law is given to property owners and various public agencies **who requested further notice** and there is a **20 day appeal period** commencing the day after this further notice is given in which an appeal may be made to the Ontario Municipal Board. Should no appeal be lodged, the amending zoning by-law is final and binding as of the date of Council's passing.
