
FOR IMMEDIATE RELEASE

April 22, 2020

Crosshill, ON – In an effort to support local businesses and the community through these challenging economic times, a group of volunteers have created a [Wellesley Township Businesses and Shopping Facebook Page](#) to compile a list of area restaurants open for curbside takeout/delivery service and businesses offering online shopping, gift cards, curbside pickup or delivery. Businesses can also share their own Facebook posts on the page in order to get information out to potential customers. The Township of Wellesley supports this initiative and will share the link on our Township website and social media feeds.

Local Wellesley Township business owners are invited to [submit information about their business](#) to have their listing added to a public online directory where local residents can learn about ways to support your business during the COVID-19 outbreak and beyond.

Due to the Provincial State of Emergency issued March 17, 2020, many owners have had to close or make changes to how they do business in order to protect their staff and the community at large. Building support for your business is more critical than ever by encouraging customers to shop online, book virtual appointments for services, order for delivery/curbside pickup, or to pick up a digital gift card that can be used later.

How to support Township of Wellesley Businesses

**Shop Local
Online**

**Purchase gift cards
for later**

**Order takeout or
delivery**

**Leave a positive
review online**

**Share posts
Spread the word**
