

## **COMMITTEE OF ADJUSTMENT APPLICATION FOR CONSENT (SEVERANCE)**

### **Completeness of this Application**

A formal Pre-Submission Consultation Meeting with the Township staff is **mandatory** prior to submission of this application.

The prospective applicant shall pay the Township of Wellesley the **prescribed, non-refundable pre-submission consultation meeting fee of \$150.00**, payable to the Township of Wellesley, prior to the pre-submission consultation meeting.

Applications must be accompanied by the submission requirements in order to be considered complete. **This application will not be accepted in the absence of a Formal Record of Pre-Submission Consultation** issued by the Township of Wellesley. Through the Pre-Submission Consultation, other information and material (e.g. technical information or reports) may be required to assist the Township and other agencies in their planning evaluation of the proposed consent.

This application will not be considered complete in the absence of any material specified in the Record of Pre-Submission Consultation. **Incomplete applications will not be processed** until all information is provided. If the information, including copies of the required plans and the applicable fees are not provided, the Township may return the application or refuse to give the application further consideration until receipt of all the required information and fees have been provided.

### **Deposits and Fees**

The completed **Consent** application must be accompanied by the prescribed fee of **\$1,575.00** payable to the Township of Wellesley.

**The applicant is responsible for 100% of ALL third-party expense incurred by the Township of Wellesley associated with this application** – including but not necessarily limited to advertising, engineering, administrative and legal expenses. These expenses will be billed to the applicant and if approved the Consent Application will not become final until these expenses have been paid.

The Regional Municipality of Waterloo charges fees (\$350.00) for review of all consent applications. These fees must be submitted at the time the application is submitted to the Township.

Please note the application will not be accepted for processing until the deposits are received.

## Consent Application Process

An application for Consent generally requires **approximately three (3) to four (4) months** to process. This procedure generally encompasses the following steps:

1. The application is reviewed by planning staff to ensure all prescribed information and the required fee has been provided. **Within thirty (30) days** of the receipt of an application, the applicant will be notified in writing, whether the application is considered “complete”.
2. Within **fifteen (15) days** of the application being deemed complete, a “Notice of Application” will be circulated to landowners within **60 metres** of the subject land and prescribed departments and agencies for comment.
3. Following the circulation period, a staff report containing a recommendation and any conditions of approval, if required, will be formulated
4. At the public meeting, opportunity is afforded to the applicant and any other interested parties to make verbal and/or written submissions concerning the Consent application. The Township Committee of Adjustment may choose to approve, refuse or defer the application.
5. If approved, a notice of passing of the decision is given to property owners and various public agencies and there is a **20 day appeal period** commencing the day after this further notice is given in which an appeal may be made to the Ontario Municipal Board. Should no appeal be lodged, the consent is final and binding.
6. The decision will include a list of conditions. The conditions must be met within two years of the date of the decision or the decision will lapse.

- The boundaries and accurate dimensions of the subject land
- The size, location and type of all existing and proposed buildings, structures or additions on the subject land, measured from the front, rear and side lot lines

- This is **YOUR** application - make sure that you know the exact details of why you are applying. It is your responsibility to provide a complete and accurate application. Staff are available for consultation but are not permitted to complete the form.
- An application will not be accepted as complete unless all legislated requirements have been met and will not be processed until all necessary information has been received.
- In addition to the submission requirements found on the application form, **it is imperative that the applicant provide all the planning evidence necessary in support of the request being made.** This will assist the Committee in making an informed decision regarding your application.
- The owner or agent **must** attend the Committee of Adjustment meeting in support of their application.
