MANDATORY PRE-SUBMISSION MEETING APPLICATION

A Pre-submission Meeting is required prior to the acceptance of the following applications:

- Minor Variance
- Consent
- Official Plan Amendment
- Zone Change
- Plan of Subdivision
- Plan of Condominium
- Part Lot Control Exemption
- Site Plan Approval

The Pre-Submission Consultation Meeting may address more than one application provided they are in relation to the same development project. The purpose of this meeting is to identify those studies/reports required to commence processing of the development application(s), as well as to obtain and provide information required to better process the application. Pre-consultation **does not imply or suggest any decision whatsoever** on behalf of Staff or the Corporation of the Township of Wellesley.

Further, participating in pre-submission consultation does not allow the owner, applicant, client and/or consultants to undertake any construction or preparatory work on site, including clearing of trees or vegetation and grading.

The Pre-Submission Consultation meeting is required unless the **Director of Planning** waives the requirement where it has been determined that no reasonable purpose would be served by such a meeting due to the nature of the application.

Pre-Submission Consultation Meetings will be scheduled within approximately **four (4) to six (6) weeks** of the request being **deemed complete**. Please note that staff reserve the right to determine whether sufficient information has been provided to conduct a Pre-Submission Consultation Meeting. Should additional information be required staff will contact the owner/applicant/agent.

APPLICATION FEE

For applications that are minor in nature, the completed **Pre-submission Consultation** application must be accompanied by the prescribed **non-refundable** fee of **\$150.00** payable to the Township of Wellesley. The Regional Municipality of Waterloo also charges a **\$300.00** non-refundable fee for review of this application. Please provide a separate cheque payable to the Region of Waterloo for their fee. For more complex applications requiring more detailed review of plans, reports and/or studies by Township staff, the Township engineering staff or other expert reviewers (e.g. environmental, archaeological), the applicant may be required to pay the full **\$600.00** pre-submission application review fee, at the discretion of the Director of Planning.
