## OFFICIAL PLAN AMENDMENT PROCEDURE

An application for an Official Plan Amendment generally requires a **minimum of six (6) months** to process. The procedure generally encompasses the following steps:

1. The application is reviewed by planning staff to ensure all prescribed information and the required fee has been provided. Within thirty (30) days of the receipt of an application, the applicant will be notified in writing whether the application is considered “complete”. Instructions regarding the Notice Signs will be sent to the applicant at this time.
2. Within fifteen (15) days of the application being deemed complete, a “Notice of Application” will be circulated to landowners within 120 metres of the subject land and to prescribed departments and agencies for comment.
3. A Notice of the Statutory Public Meeting is advertised in a local newspaper twenty (20) days in advance of the Statutory Public Meeting
4. Following the circulation period, a staff report containing a recommendation and any conditions of approval, if required, will be formulated.
5. At the public meeting, opportunity is afforded to the applicant and any other interested parties to make verbal and/or written submissions. The Council may choose to recommend approval, refusal or deferral the application.
6. If recommended for approval by Council, the proposed amendment will then be forward to the Regional Municipality of Waterloo for final approval. The Region of Waterloo may choose to approve, refuse or modify the proposed amendment. Notice of the decision will be given to those who have requested Notice to the Regional Clerk, and the 20 day appeal period will commence the day after this Notice of Approval is given, during which an appeal may be made to the Ontario Municipal Board. Should no appeal be lodged within the 20 day appeal period, the amendment is final and binding as of the date of Regional approval.
