PART LOT CONTROL EXEMPTION APPLICATION

COMPLETENESS OF THIS APPLICATION

The need for a formal Pre-Submission Consultation Meeting with the Township staff will be determined by the Director of Planning for the Township.

Should a formal Pre-Submission Consultation Meeting be required, the prospective applicant shall pay the Township of Wellesley **the prescribed, non-refundable pre-submission consultation meeting fee of \$150.00**, payable to the Township of Wellesley, prior to the pre-submission consultation meeting.

The information requested by this application form must be provided by the applicant, and will be used to process the request under Section 50 of the Planning Act. If the information, including copies of the proposed draft plan and fee are not provided, **the Township may return the application or refuse to further consider the application until receipt of all the required information and fee have been provided.**

This application form also sets out information (i.e. technical information or reports) that will assist the Township, the Region and others in the planning evaluation of the proposal. To ensure a prompt complete review, all information must be submitted at the time of the application. In the absence of this information, it may not be possible to complete the review within the legislated time frame for making a decision. As a result, the application may be refused.

DEPOSITS/FEES

The completed **Part Lot Control Exemption** application must be accompanied by the prescribed deposit of **\$1,200.00** per application. \$400.00 will be deducted for each by-law required from this deposit for Administration & Planning Fees.

The applicant is responsible for 100% of ALL third-party expense incurred by the Township of Wellesley associated with this application – including but not necessarily limited to advertising, engineering, administrative and legal expenses. These expenses will be billed to the applicant. Fees for the Township solicitor to register the adopted by-law will be deducted from the remaining \$800.00 deposit provided by the applicant.

Please note the application will not be accepted for processing until the deposit and fees are received.

PURPOSE OF PART LOT CONTROL EXEMPTION

Where land is within a registered plan of subdivision and the owner wishes to subdivide a lot or a block within such registered plan for the purpose of selling, conveying, leasing or mortgaging such part lots or part blocks, an owner may request the Township to pass a Part Lot Control Exemption By-law under Section 50 of the Planning Act.

Where Site Plan Approval is required, applications for part lot control shall be submitted after the site plan approval is granted. Where site plan approval is not required part lot control exemption applications may be submitted after the registration of the M-Plan.

PART LOT CONTROL EXEMPTION PROCEDURE

An application for a Part Lot Control Exemption generally requires **approximately one (1) to two (2) months** to process. This procedure generally encompasses the following steps:

1. The application is reviewed by planning staff to ensure all prescribed information and the required fee has been provided. Within **thirty (30) days** of the receipt of an application, the applicant will be notified in writing, whether the application is considered “complete”.
2. To proceed with an exemption from part lot control, the proposal **must** conform to the Township’s Official Plan and Zoning By-law.
3. If deemed necessary, within **fifteen (15) days** of the application being deemed complete, a “Notice of Application” will be circulated to prescribed departments and agencies for comment.
4. Once all identified issues are resolved, a staff report and Part Lot Control Exemption By-law will be forwarded to Council for approval.
5. Once the by-law has been enacted by Council, it is registered on the title of the land to which it applies by the Township. By registering the by-law on title, solicitors acting on future property transaction are advised that individual lot conveyances do not contravene the Planning Act. All part lot control by-laws will contain a time limit after which they will expire.

Please Note:

No Part Lot Control Exemption By-law can be recommended for approval if the municipality requires any conditions to be applied to the division of the subject lands.

Since the Part Lot Control Exemption By-law makes specific reference to the Reference Plan, any changes to the lot configuration thereafter require a new application for PART LOT CONTROL EXEMPTION and the passing of a new by-law, to ensure compatibility with servicing.

Each Part Lot Control Exemption By-law in the Township of Wellesley shall remain in force and effect **for a period of one (1) year** from the date of its passing. Extensions to this date may be made prior to the date of its expiry at the discretion of the Township of Wellesley.
