Into the Swing of Summer Recreation

As we head into June, and celebrate Recreation and Parks month, your Township Recreation team has been hard at work ensuring community parks, fields, diamonds, open spaces, and playgrounds are ready for activity and fun! We have completed all inspections of our outdoor spaces and are now in full swing and ready for a busy summer. The splash pad is now open and the ErbHaven Trail, is open too, and ready for all trail users. We want to wish everyone a terrific summer with lots of laughter and sunshine.

Name our Street Sweeper Contest

We have a WINNER! We had over 80 entries submitted throughout the duration of the contest and the Township would like to thank everyone who participated and shared their most creative name suggestions.

We put out 11 names for you to vote on and the name that swept away the competition was Lightning McClean submitted by Troy Cluthe. The name will be proudly displayed on the street sweeper in the coming weeks.

Stay tuned for another opportunity to name another one of our fleet in the fall.
