Community Engagement meetings on reverse**

## Scheduled Community Engagement Meetings

Community input meetings have been scheduled in all Wards. Each meeting will be hosted by the Ward Councillor and allow an opportunity for residents to express their suggestions ahead of the budget deliberations. All comments are to be related directly to the 2024 budget. All input is appreciated and will be considered during the staff budget preparation however not all suggestions may be budgeted for. For comments to be considered in the draft 2024 budget they must be received by your ward councillor by September 30, 2023.
