

Changes to Tax Due Dates

Property Tax due dates have changed to the last business day of February, April, August and October.

The 2023 tax due dates are as follows:

February 28, April 28, August 31 & October 31

REMINDER: Payments need to be received in the township office on the due date to avoid penalty, this includes payments received by mail. Canada Post has changed their processes and time in transit may be longer than expected. To ensure online payments are on time, payment should be made in advance of the due date. Some financial institutions can take up to five business days to process the payment. Your account number for online payments is your 19 digit roll number

Have your say; Strategic Plan Survey

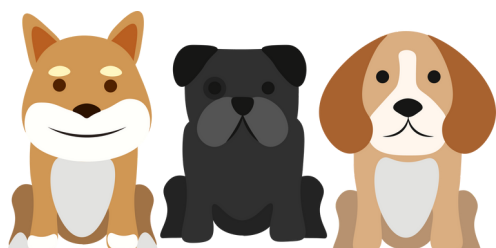

A Strategic Plan provides a guidance document which allows Council and Staff to prepare for the future needs of the Township. The Plan gives a roadmap to the Township of Wellesley's future by showing the priorities of Council and the residents. These priorities are confirmed in the Budget and the work schedules approved by Council each year.

Complete the Strategic Plan survey between Thursday, February 16th and Sunday, March 5th, 2023. The survey is available online or in person at the Township Office.

2023 Dog Tags

The Dog and Dog Kennel By-law of the Township of Wellesley requires every owner of a dog to register their dog with the Township and purchase a dog tag before the 31st day of March in each and every year or within twenty-one (21) days after the dog comes into his or her possession. Registering your dog(s) not only shows responsible pet ownership but also helps with the identification and safe return of your dog if he or she is found running at large.

Dog tags for the Township of Wellesley can be purchased online by completing the dog tag registration form or in person at the Township Office by cash, cheque or debit card. You can also complete an Application for a Dog Licence and send with payment by cheque via mail (4639 Lobsinger Line, St. Clements, ON N0B 2M0) to have the dog tag mailed to you. Please make cheques payable to Township of Wellesley.

If your dog has not previously been registered with the Township and has been spayed or neutered, please submit a veterinary certificate confirming spay/neuter with your application and payment. If you have previously submitted proof, you are not required to resubmit.

Declaration of Snow Event

After a successful pilot project Council approved the use of snow events in January 2022. Over the course of two winter seasons, January to March and October to December 2022, four snow events were declared. Notification of a snow event will be posted to the Township website and social media platforms, see platforms used below.

A snow event declaration is not to be considered a report on road conditions or current weather, but strictly as a parking ban put in place to allow snow plow operators the ability to safely and efficiently plow the roads after significant snowfall.
