Planting Roots GREENING PROGRAM

For the fifth year in a row, the Township of Wellesley in partnership with Enova Power's reforestation grant are providing 1200 free trees to the residents of Wellesley Township on the last two weekends in October. This year the Planting Roots tree giveaway takes place on October 19 & 26, 2024 from 8 a.m. to 12 p.m., while supplies last, at the Township administration office located at 4639 Lobsinger Line, St Clements. Residents are encouraged to come out and receive 3 trees per residential property and 5 trees for farm properties with proof of ownership or residency within Wellesley Township.

The Township is also partnering with Recycle My Electronics for the second year where residents can bring unused household electronics including any item that has a battery, plug or cord to be disposed of free of charge.
